

PARP 2025

EXERCISE YOUR MIND!

GO FOR THE GOLD!

Exercise your mind, and be a reading champion this year with our physical fitness theme! Basketball, figure skating, football, gymnastics, karate, yoga... there are so many ways to be active! Let's build our mental muscles together by learning something new in a great book. Go for the gold by reading more than ever!

ABOUT PARP

What is PARP?

PARP (Pick A Reading Partner) is an annual tradition at MAS that encourages students and the people in their lives to read together. Through PARP, we encourage a love for reading and support literacy.

How does PARP work?

During PARP, students should read outside of school for at least 20 minutes per day with a parent or other reading partner. Caregivers can log reading minutes on a custom website (see flyer).

When is PARP?

PARP begins Monday, January 27th and ends Friday, February 14th. Check out our calendar of challenges, fun events and spirit days! Together, we can flex our reading muscles with our tigers!

FUNDRAISING

From our new spring tradition of a Carnival Celebration to celebrate our readers, to installing new playground equipment, money raised during PARP supports our students in so many ways! Will you help us reach our goal of raising \$30,000?

READ-A-THON.COM MAKES FUNDRAISING EASY!

You can text friends and family a link to your child's reading/fundraising page, share on social media, send as an email and more! Money raised during PARP will support assemblies, enrichment opportunities and other activities organized by the PTA.

Fundraising is not required in order to participate in PARP, and we are grateful for many ways families contribute their time and talent to the PTA.

READING LOGS

You can log minutes in real-time thanks to read-a-thon.com. You'll also be able to send a personal donation link to friends and family to help raise money to support activities at MAS!

2025 SPECIAL CAUSE

To celebrate our physical activity theme this year, we are collecting donations of new or gently used sports equipment! Drop off your goods, such as footballs, baseball gloves, and more in the box by the front office. Items will be donated to local non-profits to support physical activity for kids!
